Session: CHECK which you are registering for

_____ **3 Day Basic** (January 30, February, 6 & 13) 2016
8am–3pm
Room 208

This 18 hour course covers Beginner & Intermediate material for Revit Architecture 2016. The focus is on training Students, Architects, contractors and Interior Design professionals looking to understand Revit Architecture and/or incorporate it into their existing process of designing or creating construction documents for a project.

- **Prerequisites for Basics:** None. Any previous experience with AutoCAD or Vector Works is helpful, but not required
- Course textbooks/materials included
- Each session will have a 1 hour break for lunch (boxed lunch is included for each session)

_____ **2 Day Advanced** - (March 5 & 12) 2016
8am–3pm
Room 208

This 12 hour course covers advanced material for Revit Architecture 2016. The focus is on training Students, Architects, contractors and Interior Design professionals looking to understand Revit Architecture and/or incorporate it into their existing process of designing or creating construction documents for a project. Whether you are a draftsman, project lead or student, this training will help those looking to build their resume or stay competitive in the workplace.

- **Prerequisites for Advanced:** Previous experience with Revit (any or all versions)
- Course textbook/materials included
- Each session will have a 1 hour break for lunch (boxed lunch is included for each session)

A full course curriculum is available upon request or see our website for the most up to date information.

Please make checks payable to: Villa Maria College

Address is as follows:

Villa Maria College – Revit

Center for Lifelong Learning & Workforce Development

240 Pine Ridge Road

Buffalo, NY 14225
