ARE LENDING LIBRARY

The lending materials are a resource provided by the AIA Buffalo/WNY Chapter and Emerging Professionals Committee for local emerging professionals sitting for the Architect Registration Exam (ARE). The lending period is 14 days from check-out, including weekends and holidays. A limit of a single set of materials from either the Kaplan or PPI collection can be checked out at one time.

The lendee will be responsible for the cost of replacement of materials if written in, damaged, or not returned in the 14-day period. The exact cost of replacement will be determined at the time of loss, but under no circumstance will be less than \$100.00. The material should not be photocopied; doing so is a copyright infringement. Please email info@aiabuffalowny.org to confirm materials are available or if you have questions regarding the lending library or its policies.
